

Serial No.: 10/549,323
Atty. Docket No.: LNK-007
Rule 312 Amendment of August 12, 2009

REMARKS

Herewith, Applicants correct an error of antecedent basis in claim 10 that arose from the Examiner's Amendment of June 9, 2009, wherein the Examiner canceled the phrase "an active ingredient" from claim 7, a phrase echoed in claim 10 that depends therefrom. Applicants respectfully submit that the amendment to claim 10 is of a minor character, does it materially affect the scope of the claim, and therefore does not require additional search or consideration. Applicants further submit that the amendment is supported by the specification as originally filed and therefore does not introduce new matter. Accordingly, Applicants respectfully petition for the entry thereof of the instant amendment to claim 10.

Applicants respectfully submit that no additional fees are required, apart from those included herewith. However, in the event that additional fees are required to maintain the pendency of this application, the Commissioner is authorized to charge such fees to Deposit Account No. 50-2101. If the Examiner has any questions or concerns regarding this communication, he is invited to contact the undersigned.

Respectfully submitted,

Date: August 12, 2009
